## WELCOME TO SCOUTING

### WELCOME TO

## PINKNEYS GREEN SCOUT GROUP

In 1907 Robert Baden-Powell ran an experimental camp on Brownsea Island to test out his ideas. The Scout Movement is now one of the greatest and most progressive youth movements in the world today, with over 25 million members worldwide.

The Scout Association of the United Kingdom is a multi-cultural, multi-faith organisation consisting of six sections; Squirrel Scouts, Beaver Scouts, Cub Scouts, Scouts, Explorer Scouts and Network Scouts accommodating young people between the ages of four and twenty five years old.

Pinkneys Green was founded during the early days of Scouting on 6th February 1909. As members of Maidenhead & District and Royal Berkshire County, each Section takes part in a number of district and county activities during the year.

Pinkneys Green Scout Group operates in accordance with the publication called *Policy, Organisation and Rules (P.O.R)*. Everything we do in Scouting is done in furtherance of the **Aim and Method of the Scout Association:**

*“The **Aim** of The Scout Association is to promote the development of young people in achieving their full physical, intellectual, social and spiritual potentials, as individuals, as responsible citizens and as members of their local, national and international communities. The **Method** of achieving the Aim of the Association is by providing an enjoyable and attractive scheme of progressive training, based on the Scout Promise and Law and guided by Adult Leadership.”*

In charge of the group is the Group Scout Leader (GSL). Each Section has a Leader, one or more Assistant Leaders as well as helpers or specialist instructors, all of whom contribute their time entirely voluntarily. The GSL, Section Leaders and Assistant Leaders undertake specific training in order to fulfil their role effectively.

All adult members of the Group, parents & carers, Patrol Leaders and supporters from the community form The Group Council.

Routine administration, maintenance of HQ and fundraising are delegated to the Parents support Group (PSG), which is drawn from members of The Group Council. All parents/carers of section members are invited to join the PSG, which meets every month (except August). Anyone who is unable to join the PSG is asked if they can help the Group when required, for instance at specific fundraising events.

During the year, our main events are The Summer Fair on The Green, the Christmas Fair, Jumble Sales, selling Christmas Trees, as well as Party Tent Hiring.. , which raise over £4000 per year.

The Group Newsletter – **PG Tips** – [www.pgtips.org.uk](http://www.pgtips.org.uk) is published monthly and keeps everyone up to date with Group events and Section news and activities. Squirrels, Beavers, Cubs, Scouts are encouraged to contribute items.

The Scouting Movement is a multi-faith organisation. Members of each Section have the phrase *duty to God* (or, in the case of Beavers or Squirrels, *to love God*) as part of their Promise. We do not ask our members to attend church on a weekly basis. However, we encourage full attendance at particular services, such as Harvest, Christingle, Remembrance Sunday and St George's Day and parents/carers are asked to support this. These services must always be attended in full uniform. Members' spiritual development is also continuously developed through each Section's normal programme

## ANNUAL SUBSCRIPTIONS & FUNDRAISING

The annual subscription for members of all sections is £85.00, explorers / young leaders pay £45.00 payable under a *Gift Aid*.

Recovering income tax on subscriptions that are paid by Gift Aid increases the Group income by over £20.00 per head per annum. You will be asked to sign a form stating that you agree to pay the Scout Group each year “such a sum as after deductions of income tax at the standard rate amounts to £100.00”.

As soon as your child is invested, the Subscription Secretary will contact you to ask you to sign the Gift Aid form and an official tax form requesting the first year’s subscription. These should be completed as soon as possible and returned in the envelope provided.

£5 of every member’s annual subscription is sent to the District (Maidenhead & District Scouts). A further £16.80 is sent to County (Royal Berkshire Scouts) and £36 is sent to National Scout HQ. The balance £22.20, is spent on rent/running costs such as heating, lighting and repairing the hall, repairing and replacing equipment, purchasing supplies for activities (ingredients for cooking, materials for craft, etc), camps. The Group does not receive any other funding, such as grants from the council or local businesses; the balance of the funds we need is generated from fundraising.

All parents and carers are asked to make contributions to group fundraising in the form of donating items (such as bottles for the Tombola Stall) and helping at a fundraising events (such as running a stall during the Summer *Fair on the Green*)

## THE DISCLOSURE AND BARRING SERVICE (DBS) ENQUIRY FORM

From time to time we need to ask parents/Carers for assistance during activities/outings supervising and/or transportation of Squirrels, Beavers, Cubs, Scouts, Young Leaders.

If a parent/Carer helps more than one a month with a section activity or meeting or is sleeping over at a Camp, you will be asked to complete a Scout Association Disclosure and Barring Service (DBS) enquiry form. **This should be completed and returned as soon as possible.**

The details on the form are checked against information held by the Disclosure and Barring Service Bureau on behalf of the Scout Association. Outdoor activities feature prominently. The highlight for most Scouts is the Summer Camp and much of the year is devoted to preparing for this. Even in winter there may be Patrol hikes or weekend camps, as map reading, camp cooking, first aid and other skills can be practised at any time of the year. At the beginning of the summer holiday the Leaders and the majority of Scouts camp for ten – fourteen days and take part in adventurous activities such as climbing, pioneering, and kayaking. Previously we have been to Wales, Hampshire, Wye Valley, Oxfordshire and Cornwall.

Scouts are offered a wide range of activities from technology-based subjects such as electronics, computing or amateur radio to cultural activities, including our annual pantomime, all of which are embodied in a continuously updated training scheme designed to encourage and support youngsters as they move through Scouts. Each scout should achieve the **Chief Scout's Gold**

**Award** during their time with the troop this is done by completing nine challenge awards. There are also numerous activity badges that can be gained.

All Scouts are expected to wear *full Scout uniform* to and from Troop meetings and activity wear (PG T-shirt and Scout Navy shorts on or above the knee) should be brought to change into. This not only gives the youngsters more freedom, but also preserves the uniform for important occasions and parades.

The Scout uniform is *green Scout shirt, navy Scout combat shorts, Scout belt, woggle, and Pinkneys Green neckerchief. Soft shoes (i.e. plimsolls or trainers without large tongues) should be worn to troop meetings; brown or black shoes should be worn for parades, etc.*

The Scout Troop's aim is to promote the development of young people to enable them to achieve their full potential. This is accomplished by an enjoyable and fun-filled scheme of progressive training, based on the Scout Promise and Law.

You are invited to your child's investiture into the Troop, during which they make their promise.

*A Scout has self-respect and respect for others.*

The Troop consists of small units (patrols) of six to eight youngsters, led by a Patrol Leader (PL) who shares responsibility with the adult Leader for maintaining standards and training of other members of the patrol. Together, the PLs form a Patrol Leaders' Forum, which organises the Troop programme and activities plus the training of Scouts.

The Cub Scout leader (*Akela*) and their assistants have undertaken designated training in order to run an imaginative and active programme.
