We will have Pete Roberts and a team of Radio Amateurs, who will be setting up a number of stations at the Scout Hall and we hope to make some very interesting contacts during the weekend. At previous JOTA's we have been able to talk to stations as far away as USA, Canada, Australia and Falkland Islands. We will have a number of Radio Games operating during the weekend.

**Cubs & Scouts from PG and other groups in Maidenhead** will have the opportunity to pass their Communicators Badge. Everyone is welcome to come and join in the fun.

### 49th Jamboree on the Internet - 21-22 October 2006

The 2005 Jamboree On the Internet event is the ninth JOTI since the World Scout Committee's decision that JOTI should become an official international Scouting event. PG has taken part every year since it started.

The object is to use the Internet to communicate with Scouts around the world. We used, Internet chat, Web site browsing and E-mail to exchange with Scouts in countries all over the world (Over 200 Countries were taking part) we didn't make contact with all the countries but we did manage to talk to, contact and with Scouts from 26 foreign countries some of which were, New Zealand, Australia and the USA. It was an impressive feeling when you were actually looking at and chatting with Scouts from the other side of the world! If you can't attend this years event you can send us an email to our special email address [pgjoti@gmail.com](mailto:pgjoti@gmail.com)

**If you have time pop into our Scout hall over the weekend and have a go your self - either on the Internet or Radio**

A big thank you goes to all the Beaver, Cub & Scout parents, plus leaders who have taken a black sack of rubbish home from the Scout Hall. ## **BEAVER NEWS**

Last term, Beavers ended with style, with our annual cooking in the woods in which we all cooked our own sausages and marshmallows (some more than others!) on the open campfire, and with our themed 'Red Indian' campfire in which Beavers and their families dressed up especially for the occasion and sang camp songs around the open fire! A good time was had by all, and a fantastic effort made on the fancy dress!

This term looks forward to many more exciting activities, including making our own mini gardens, and continuing to work towards gaining some more beaver badges!

Can we take this opportunity to remind parents of our uniform which we **must** wear to Beavers, Beaver jumper and Beaver navy cargo trousers or shorts with PG neck-a-chief. This can be bought from the Scout shop, Wednesday evening's 7.00pm till 9.00pm at St. Marks Methodist Church. Also, if there are any brown felt Beavers out there that have not

Don't forget we are having our Report Back Evening on Friday 6<sup>th</sup> October, 6.50pm at Scout Hall, where we will be showing photos of the past years activities

## **CUB NEWS**

The pinnacle of Cubs has just finished and what a weekend it was! Cub camp at BCA Maidenhead, with fantastic, warm, dry weather and enthusiastic boys - fabulous. The boys arrived with all their kit on Friday evening and once the tents were organised, off they went to enjoy the outdoors. The theme this year was pirates and the sixers had made some excellent posts to put outside each tent. Jacala had organised a very exciting treasure map and game - I'm glad the boys seemed to know what they were doing and they loved running about in the dark with their torches. Then it was hot chocolate, clean teeth and bed (but not necessarily sleep!).

The morning started at a reasonable hour (not like Group/Family camp, as it is darker in the mornings now) with football in wellies. Then came washing - it was a new experience for a lot of boys and they had to be taught; how to remove clothes, which square material was a flannel (or a hand towel), how to use a bar of soap, how to squeeze water from a flannel (otherwise your shorts get wet), what to wash - oh, we taught them lots this weekend. This was followed by a scrumptious cooked breakfast by Debbie Webb and team. Then washing up. Another steep learning curve for a lot of boys - please do ask them to use this newly acquired skill at home occasionally - they can do it!

Inspection of tents was followed by bases of all sorts of skills - lots of which will be marked up and used towards badges. I was helping at a compass base and have now learned how to set a compass. I think the boys will have earned a great number of badges during the camp, but please be patient as it all has to be marked up and we have to get to the shop to buy them.

The afternoon is athletics work in which the boys have to do a short timed run, throw a cricket ball, do a standing jump, a timed shuttle run and then a timed long distance run. The boys all tried really hard, but because the badge is not in three stages any more, many of the younger ones don't reach the times or distance required to achieve the badge. However, it is all recorded and there is always next year!

After the exhausting run (I had to be a marker (shame) - but Akela and a couple of other leaders did take part), we went back to camp. The boys did last minute practice for their campfire sketch and we all sat down to a lovely cooked meal of cottage pie.

The boys may have told you that the campfire was started too early. The young helpers were very eager to show off their fire making skills and before we were ready - it had been lit. So we hurriedly joined together round the fire for a singsong and sketches. We had to sing very loudly at the end to compete with the disco of the wedding being held in BCA, but luckily it did quieten down at bedtime.

Bedtime was a much quieter affair and the boys were very soon asleep. The morning began as the day before, followed by Cubs Own (service) and group photo (watch the website). Then the morning was more skills bases, followed by packing away and the now infamous obstacle course. This year it was produced by Luke and Benny and I understand it was the best yet. I think the boys thoroughly enjoyed it, getting wet and muddy. Then it was time to go home.

Lots of Leaders, Young Leaders, Scouts, Parents, ex-Parents and Cubs all helped to make the camp a very successful, fun time.

So **THANK YOU** to you all.

This term we are looking at safety and emergency procedures; covering ourselves and our homes. Swimming sessions in Court Garden, Marlow will be starting in October (more badges to be earned). *Dates: Sat 7 Oct, 11 Nov, 25 Nov between 5-6pm.*

We welcome Connor Armstrong and Hal Forman to Cubs from Beavers and also Alex Franklin and James Boxwell from outside the Group. We hope you will enjoy your time at PG.

Rikki

### **Akela's Footnote**

A week later and I am just about recovering from Cub Camp. We had a brilliant camp, which went very smoothly. This was down to the fantastic team of leaders and helpers that we have at Pinkneys Green. Being able to rely on other people certainly makes my job much easier. Thanks to all the leaders/helpers/young leaders/scouts who helped to make camp such a success. Special thanks to Debbie Webb (and her mum, May) for doing the catering at camp. Debbie did a great job and even included some healthy snacks at break times. Lastly, the cubs were a credit to you (their parents) and behaved brilliantly. Big thanks to the boys for making Cub Camp 2006 so enjoyable for all of us.

**Thanks to:**

The Principal and staff at BCA for allowing us to camp at the college again  
The Erection Committee and other Parents & Scouts who helped on Thursday night
