Over 100 retailers are accessible through the web shop, including BT, Marks & Spencer, John Lewis and RAC. Many retailers provide exclusive offers to the web shop, such as discounts or offering free delivery to the customer, providing more reasons for supporters to buy products through the web shop.

## BEAVER NEWS

A very warm welcome officially to all our new Beavers who were invested this month. Well Done, Logan, Olly, Miles, Thomas and Cameron, you did a wonderful job, you said your promise beautifully alongside your fellow Colony members who were also very well behaved whilst renewing their promise too. Hope the badge sewing is coming along nicely and that Mummy is feeling brave enough to tackle stitching your name on the brown felt Beaver too. Sorry Mums!!

We had a break from our Science topic this term for a few weeks so that we could turn to our Performing Arts side and demonstrate our flare on a stage. We firstly did some self portraits, then in turn each Beaver hid behind the curtain and held up their sketch of themselves and the rest of the colony had to guess who it was! It was good fun, well done Benny for coming up with this fab idea. Last week we had the privilege of the Scouts running our meeting. Each Beaver was asked to bring a talent/skill or form of entertainment with them so they could perform this on stage for us all to enjoy. We had everything from jokes, tricks, to art and craft and music. We really do have some very confident little men out there.

I haven't forgotten our fundraiser this year, keep a look out for the smartie tube to come home and make the most of the odd jobs they must do to fill the tube with 20 pence coins to give to charity. We usually do very well with our 'Good turn week', everyone benefits! Happy Fundraising and thank you in advance for your support in this event.

The Beavee was a great success as always, we had 16 beavers attend and each one of them enjoyed themselves I believe and did a lot of fun activities! Our base was of a very 'Green' (that was the theme), we gave each beaver the chance to pick, plant and grow their own fruit of vegetable. How are they coming along boys?

The next few weeks are jam packed as always with more Science experiments involving lots of fun and mess! We shall complete our topic at the beginning of April before we break for the Summer term, then when we return (20th April) we'll be all ready for the outdoor. Sunny and light evenings on the green sounds good, can't wait!!

A big thank you goes to Mr. Jefferson for volunteering to be the Beaver Parent, Jumble Sale coordinator. Don't forget to check out PG Web Site [www.pgscouts.org.uk](http://www.pgscouts.org.uk) for latest photos of the Beavers

District St Georges Day event, is on Sunday 26th April, when we join all the others Beavers, Cubs, Scouts for an event to renew our promises and celebrate the patron saint of scouting (and England) Meet **2.10pm at Town hall Car Park**, finish 4pm at Magnet

## CUB NEWS

March kicked off with the District Flag Competition. The team of 6 Cubs 'did their best' and came a respectable 4th in the Competition. Jakala was with them at the event and said that they had a good time, but unfortunately they were not as prepared as the team had been in previous years. Well tried to Kieran Wijesinghe, James Kersey, Alex Hodgetts, Matthew Dixon, Harry Bennett and John Conacher.

We have covered First Aid, Stranger Danger and Personal Safety this month – all work toward badges and obviously life skills as well. One never knows when these skills will be called upon – one of the Scouts broke his collar bone and a competent Young Leader bandaged him up and the medical staff at the hospital commented on how well the sling had been made. Well done to that Young Leader!

We also had quite a 'marathon' investiture for seven new Cubs; Dan Franklin, Oliver Hooper, Luc Jons, George Knott, Luke O'Kelly, Julian Sadie and Joshua Wallace in one evening; and George Rendle was invested in the following week. We were pleased that Akala was present to carry out the investitures. We hope they will be very happy at Pinkneys Green Cubs.

The Pack meetings are now taking place in even less space than usual, because the staging is now up ready for Panto Practices. We hope the Cubs will 'bear with us' and enjoy the change of activities that can be done in the limited space.

We also welcome Alan Tarleton (a Scout) to help at Pack Meetings.

A future date for your diaries: Sunday 26th April in the afternoon will be St George's Day Parade in Maidenhead. To be held at the Magnet. Meet at 2.10pm Town Hall Car Park in full Cub uniform
