## SQUIRREL NEWS

### Winter Hill Drey

The summer term has been a busy one for the Squirrels.

The squirrels had an evening on water safety. They learnt all about the dangers of the water and how to be safe with the help of some instructors.

One evening we hiked from Cookham to Bourne End. They visited the chip shop before getting the train back. Another evening the squirrels did some cooking on a fire pit, we cooked sausages and toasted marshmallows.

The Squirrels, with the help of the Scouts, did some tent pitching and the Squirrels had their story in the tent. They then played a game of rounders before taking down the tent. The Scouts were really good at teaching the Squirrels what to do.

The final evening of the term was a traditional campfire with all the parents. The squirrels all brought and told a joke. Thank you everyone for all your support. We wish you all a great summer.

*Tic Tac Winter Hill* (Tom Beynon)

### **Littlewick Drey**

A busy few weeks prior to end of term! A couple of the Squirrels successfully completed their Chief Acorn Award so congratulations to them with other Squirrels hot on their tails!

We had a brilliant evening building dens and working towards our Brilliant Builder badges, and then the week after we built a den for our Squirrel mascot. End of term has come quickly; have a brilliant summer, everyone!

*Tuftly Littlewick* (Hannah Smith)

## **BEAVER NEWS**

### **Littlewick Colony**

Littlewick Green Beavers have had a great year and to finish it off this week we went on a hike and enjoyed sharing chips in the woods. Last week we learnt how to pitch a patrol tent (ready for family camp!).

We are a lovely group and each Beaver enhances the colony in many ways. The other leaders and I love their energy and enthusiasm and it makes a Monday evening great fun. We also enjoy having the help from our young leaders (*Sam* and *Alys*) who contribute each week and thanks to all the parents who help out too.

Enjoy your summer holidays Beavers and we will see you in September.

*Rainbow Littlewick* (Sarah Brodie)

## Winter Hill Colony

Another busy month for the Beavers.

The beavers had a hike to Hurley lock and learnt all about how the lock works. Another evening the beavers went to the brick works and had an evening making things out of clay. Lots of models were made. We had an evening on den building. The beavers got into the woods looked for the best spot and learnt what makes a good den before going off and collecting things to make a den. Finally the beavers finished off with our traditional campfire. The beavers really enjoyed singing all the traditional campfire songs. We hope everyone has a great summer. See you in September.

## CUB NEWS

### Littlewick Pack

We have had a busy month at Littlewick. The cubs all enjoyed working towards their science badge completing a range of experiments.

Then a change of day meant that we could go and learn some firelight skills. The cubs showed great team work and resilience which meant that all cubs started their own little fire, learning about fire safety as we went. The evening ended with some tasty toasted marshmallows.

We are ending the term with a trip to the fire station a good link back into fire safety and learn about the job.

We hope the cubs all have a great summer!

*Rama Littlewick (Emma de Goede)*

### Winter Hill Pack

Winter Hill Cubs have spent the last few weeks doing various activities, these included Tent pitching, Plant and Tree identification, trails and fire lighting. All of these counted towards challenge and Activity badges. Last week we did a selection of new games and challenges. Our final week of the term was building Dens/shelters in the woods. At the end of the meeting we have out a large amount of badges and 2 Silver Chief Scout Awards to *Freddie Comie* and *Jack Whitehead*.

*Baloo Winter Hill (Erica Hunter)*

## SCOUT NEWS

### SUMMER CAMP

Over Forty Members of PG, are currently camping in a very wet North Cornwall near coast at Glenny.

The Scouts will have a busy programme of activities, which include we hope some sun.

Special Thank You goes to the leaders who managed to get time off work and to the parents who have helped us get away.

Photos are being updated while the Scouts are at camp, on PG's web site [www.pgscouts.org.uk](http://www.pgscouts.org.uk) Full report in Septembers PG Tips.

**Scout Leader Winter Hill** (*Simon Wheeler*)

### Littlewick Troop

We have had an easy going end to the term. One meeting the scouts split into teams to build shelters in the woods, though this did become a slight competition with me judging build quality and design. The following meeting the scouts made the most of the woods, playing wide games. Rain briefly interrupted our outdoor stint the following meeting, but we returned to outdoors with firelight and equipment preparation for summer camp for our last meeting of term. Many thanks to *Ben Almond* for stepping up and leading some of these meetings.

We ended our final meeting of the term handing out many well-earned badges including three Chief Scout Gold Awards for *Ben, Fabien* and *Tom*. We cover much of what is needed for Chief

Scout Gold Awards during our normal programme, but there are always some gaps, which these three have been working to fill over the last couple of terms.

We now break for the summer. The first meeting of the autumn term will be the 4th September. Many thanks to *Peter, Ben* and the other occasional leaders who have helped make this term happen.

**Scout Leader Littlewick** (*Mark Courtier*)

### Winter Hill Troop

Last month, the Scouts ran a meeting for the Squirrels, they helped the Squirrels put up at patrol tent and organised some games.

The Scouts continued to do the Athletic badge making sure they knew how to warm up before doing the challenges.

The Scouts also spent a wet evening checking the tents and equipment for summer camp.

We would like to welcome new members *Nathan Haynes* and *Leo Murrill* plus their families to the Troop and PG.
